**Instructions:**

Thank you for your interest in Phase 2 of the Leadership Pathways Project, 2024-2027. We are asking you to complete a letter to describe your organization’s level of preparedness to join this cohort, and describe your organization’s commitment to DEI, continuous improvement, and the goals of this project. Your letter will assist us in choosing exemplary camps that are prepared to serve as mentors and role models in our CIT-program community. You can find more information about the project and the application [here](#).

Your letter should cover (in paragraph format) the items listed in the below. We are looking for complete answers with three items that align with your online application submission. We will measure this based on a scale of “completed, partially completed, did not complete.” This score will contribute to your overall application score. Thank you for your assistance!

**Required Items Outline**

1. I, \_\_\_\_\_, the Board Chair, support our organization’s participation and commitment to the Leadership Pathways Project, Phase 2 (2024-2027).
2. During the self-evaluation and reflection portion of the application, we learned these three things...
3. I verify that all of the information we have submitted here is true, and that the person completing our online application, \_\_\_\_\_ (name + title), did indeed submit those three items listed above.

Sincerely,

Bristol Posatko
