

With Gratitude for ACA's Many Supporters

Transforming the lives of millions of children, youth, and families requires the concerted effort of many. ACA could not be effective in inspiring and safeguarding futures without the help of our individual, family, camp, foundation, and business/corporate supporters.

Donate

Through the American Camp Association (ACA), camps get the support they need to maintain best-in-class standards for health, safety, and risk management. They are inspired by research and innovation while connected in a network of support that helps camp professionals to provide meaningful experiences year after year for campers of all ages.

Please join us in supporting camps and camp professionals through a gift to ACA. Your generosity will help people just like you, who believe deeply in the power of camp, to continue to adapt and survive in our rapidly changing world. Your gift is an investment in the future, in the hope that the best is yet to come.
