

Academic Standards

[U.S. Standards Map](#): interactive map that allows viewer to figure out what academic standards are being used in their state.

[National Science Teaching Association Website](#): allows viewer to explore Next Generation Science Standards for different age groups. Also documents connections with

[Washington State Characteristics of High-Quality Outdoor Schools](#): pgs. 10-12 detail academic standards alignment for Outdoor Schools (similar to camps).

Social-Emotional Learning

[Explore SEL Tool](#): interactive website that allows you to search through and compare different social-emotional learning frameworks. This website links to many other SEL tools for organizations.

[Navigating Social and Emotional Learning From the Inside Out](#): report that provides guidance on evidence-based social-emotional learning programs for children, focusing on curricula and program highlights.

[Social and Emotional Learning in Out-of-School Time Settings](#): This brief provides guidelines and considerations for adapting leading SEL programs to out-of-school settings.

[Adaptation of SEL Programs for OST Contexts](#): Figure that shows how SEL can be promoted in OST contexts (from Navigating Social and Emotional Learning From the Inside Out report, above).

State-Level Resources

[Environmental Literacy Plans](#): documents created by states that provide rationale for outdoor connection and learning, and some include funding opportunities. As of this document's publishing in 2023 the following states were implementing Environmental Literacy Plans, with the potential for CSPs to play a role: CA, CO, CT, DC, DE, HI, IL, KS, KY, MD, ME, MN, MO, OH, OR, PA, RI, TX, WA, and WI

[State Outdoor Funding Opportunities](#): this report details potential CSP funding in New Mexico, California, Colorado, Washington, Minnesota, Nevada, and Utah

[24 States have offices of Outdoor Recreation](#): which may have Outdoor Equity Grants or Outdoor Access Grants that could support CSP work

ACA Resources

[Camp-School Partnership Project](#): Ongoing research, webinars, community of practice, and grant opportunities. New documents and resources are posted every year (including this document!)
