

2022 American Camp Association National Conference

February 8–11, 2022 • Portland, Oregon

Current as of 01/27/22

What health & safety measures are in place for this event?

ACA is committed to providing opportunities to engage in the safest and most enjoyable in-person experience possible. To achieve this, we are focused on a multilayered approach to mitigating COVID-19 at all ACA in-person events. This approach may vary by location, resources available, and local guidance. With consideration to the requirements for the State of Oregon, City of Portland, and the Oregon Convention Center, precautions have been established out of an abundance of caution for the health, safety, and comfort of all conference attendees. ACA will continue to follow federal, state, and local health official guidance for all events and will make any adjustments as necessary. These requirements align with best practices that promote the safety of our participants and staff as our guiding principle. Please review the most up-to-date [health and safety measures](#) planned for the national conference.

Are there any incentives/discounts for registering early?

Yes, those registering on or before **December 16, 2021**, can register at a discounted “early bird” rate on both 1st Person and Additional Person registrations.

Are there any incentives/discounts if multiple people from my organization register?

Yes, after the first ACA member or nonmember from an organization registers at the 1st Person registration rate, others from the same organization may register at the Additional Person registration rate.

Is it true that ACA offers complimentary registration for full-time students?

It is indeed. A photocopy of both sides of a student ID that confirms full-time student status must be submitted with your registration. **Complimentary student registration does not include meal functions or ticketed events; however, students are welcome to purchase these tickets.** For ticketed closing luncheon, students will be able to attend the session after the meal has been served.

Can I register for just one day? Two days?

You may register for a single day or a combination of days. Daily registration must be submitted via fax or mail using the printed registration form. It is not available online. See the registration page for more details.

Is it possible to buy event/meal tickets for friends and family?

Yes, you may do so using the registration form or you may purchase tickets on site, subject to availability. Spaces reserved in advance are guaranteed. On-site ticket availability may be limited.

Do you accommodate special dietary needs?

Due to the constraints of hotel/convention center catering, the only special dietary needs we can accommodate are “vegetarian” and “kosher.” This preference must be submitted on your registration form.

If I am speaking, do I have to register? Pay?

All speakers MUST register for the conference — for either the day of their session or for the full conference. Speakers enjoy significantly reduced rates that include keynote/event tickets. If you are attending only on the day(s) you are presenting, you may attend on that day for free; however, event tickets for that day are not included. Completed registration forms are needed for all presenters. We realize this in no way is meant to compensate for your time and expertise. ACA recognizes that you are making a significant contribution to camp and the profession — with our thanks!
