Changing the lives of children, youth, and families requires cooperative effort. Your support is critical, as ACA could not effectively serve 7.2 million campers without the involvement of our partners, sponsors, and educational alliances. By supporting ACA, you are helping to provide a vitally important camp experience for more children each year.

Camp is important for healthy development, and involvement in the camp experience contributes to five major outcomes in children.

**Health and Wellness**
Promoting physical activity, reducing childhood obesity, and encouraging healthy lifestyles.

**Environmental Stewardship**
Equipping young people with the attitudes, knowledge, and skills they need to be stewards of the environment today and green leaders of tomorrow.

**Team Building and Leadership**
Helping children learn to overcome obstacles and to believe in their own prospects for success.

**Workforce Development**
Helping young people set goals, learn responsibility, develop interpersonal skills, and develop an entrepreneurial spirit.

**Academic Enrichment**
Reducing summer learning loss by engaging them experientially and encouraging them to think critically.
