# Annual Accreditation Reports 2017

# Purpose of the Annual Accreditation Report:

- Provide evidence of improvement efforts
- Provide enhanced communication with camps
- Provide confirmation of continual compliance

Wow! The  
AAR really  
works!

Q20. Where on campus are there  
AEDs?

**Camp: In the Pool Area**

*Reviewer: It's great you have an AED. I  
would like to know a little more about  
how you provide 24-hour access if it is  
locked in the pool.*

**Camp: You have helped us find a  
weak link in our system. We will  
move it to the office and allow 24  
hour access. Thanks!**
