

## Ongoing Professional Development from ACA

Certificates of Added Qualification for Girl Scout Staff and Volunteers

**Prepare your camp directors and their staff for a safe and well-run camp season**

- Staff & Volunteers
- Camp Directors & Day Camp Directors
- Senior Administrative Staff
- Program Staff
- Unit Counselors / Front-line Staff or Volunteers

ACA's Staff Training Certificate Courses are more than just online training! These intensive online courses are self-directed professional development that helps build the added qualifications your staff and volunteers need. Each certificate course covers all thirteen core competencies required to run a camp successfully and includes curriculum components suited to a variety of learning styles.
